React	<div></div>
Git	<div></div>

SOFT SKILLS

Teamwork	<div></div>
Problem-Solving	<div></div>
Time Management	<div></div>

SUMMARY

As an ambitious front-end developer proficient in React.js and JavaScript, I am dedicated to creating seamless user experiences. My commitment to writing clean, maintainable code and my meticulous attention to detail drive me to build responsive and efficient applications. In pursuit of an internship position, I eagerly collaborate with cross-functional teams to deliver software solutions that not only meet but exceed client expectations.
